

SOUTHERN PINE KENNELS

I agree that although the trainers will provide instruction and equipment for the training of my dog, I maintain control of my dog and I am responsible for the successful training, control and conduct of my dog at all times.

I will follow all instructions for the equipment and will not leave the equipment on my dog while unattended or overnight.

I am liable for any injury to persons or damage to property caused by my dog. I hold harmless and shall indemnify and defend the trainers from any and all injuries or damage caused by my dog. Client agrees to cover any and all expenses related to emergency and or routine veterinary visits required for client's dog while under the care of Southern Pine Kennels.

If my dog is aggressive, I will use a muzzle during all training sessions and I will be responsible for avoiding potentially problematic situations.

I grant the trainer full permission to use photographs or video of this event for their purposes.

Because repetition is key to successful dog training, training packages must be completed within 4 mo.

I understand I am responsible for scheduling personal training sessions with Southern Pine Kennels and will be charged for appointments I miss without at least 12 hours notice. I understand there are no refunds.
